SUMMARY

Digital Marketing & Marketing Operations Specialist with 6+ years of experience in campaign execution, paid media, marketing analytics, automation, creative production, and data management. Experienced in managing advertising budgets of up to \$20K/month, achieving 2.5x–4x ROAS, improving SEO rankings from #40 to #1, and driving 200%+ organic traffic growth. Skilled in Google Ads, Meta Ads, Salesforce, HubSpot, Marketo, GA4, SEO, A/B testing, campaign QA, and creative optimization. Strong track record of improving campaign performance, data integrity, workflows, and marketing operations across remote teams.

EDUCATION

Cavite State University

Bachelor of Science in Computer Science

EXPERIENCE

DIGITAL MARKETING SPECIALIST

October 2025 – February 2026

Spread the Love

Remote

- Executed full-cycle digital marketing campaigns from planning and documentation through campaign optimization and operational improvements.
- Managed Meta Ads and Google Ads campaigns with budgets up to \$20K/month, consistently achieving 2.5x–4x ROAS while maintaining accurate campaign data.
- Monitored ROAS, CPC, CTR, conversions, spend, and other critical KPIs to evaluate profitability and identify optimization opportunities.
- Produced and optimized video and image creatives using Premiere Pro, Photoshop, Canva, and CapCut for paid-media testing and performance improvement.

DIGITAL MARKETING SPECIALIST

July 2025 – September 2025

OZCUT Abrasives

Remote

- Drove a 200%+ increase in organic traffic through a targeted SEO strategy that elevated priority keywords from #40 to #1 in search results.
- Maintained landing pages and conversion funnels to improve lead-generation workflows and operational efficiency.
- Executed and monitored Google Ads and Meta Ads campaigns, consistently achieving 2x+ ROAS.
- Optimized video and image creatives for paid campaigns and website content.
- Implemented Salesforce and HubSpot automation to strengthen lead tracking, documentation, and response-time workflows.

VIRTUAL ASSISTANT

October 2023 – February 2025

AASTA Hospice

Remote

- Managed 50+ daily inbound calls as part of intake operations while maintaining service-level performance standards.
- Monitored operational analytics and service-level KPIs to support timely intake processing.
- Maintained 100% data accuracy and QA compliance across sensitive records and data-management workflows.
- Updated internal documentation and workflows using Google Workspace to improve operational consistency and response times.

SOCIAL MEDIA MANAGER

November 2022 – December 2023

Admiral Esports

Remote

- Executed content strategies and managed social media workflows using Asana, contributing to a 40% increase in audience engagement.
- Coordinated trend-driven campaigns that increased platform audience by 55% within 3 months.
- Analyzed engagement, reach, follower growth, and content-performance data to guide optimization decisions.
- Produced and edited video and image content using Premiere Pro, Photoshop, Canva, and CapCut.

WEBSITE DESIGNER

August 2023 – September 2023

Alfamart

Remote

- Maintained website design systems in Figma and updated documentation to support consistent brand presentation.
- Managed website content and product information with a focus on accuracy, usability, and data integrity.
- Performed QA on product listings, pricing, metadata, and visual assets to improve website consistency and user experience.
- Updated product information through CMS and Google Workspace workflows.
